PART A: BACKGROUND AND PURPOSE OF THIS RFP

The Workforce Innovation and Opportunity Act (WIOA) was signed into law July 22, 2014 and supersedes the Workforce Investment Act. It promotes program coordination and alignment of key employment, education and training programs at the Federal, State, regional and local level. WIOA was designed to provide workforce investment activities to increase employment, retention and earnings, and the attainment of recognized postsecondary credentials. Through these activities, the quality of the workforce will improve, economic self-sufficiency will increase, and workers will meet the skill requirements of employers and enhance the productivity and competitiveness of our nation.

Alabama Department of Commerce's (ADC) Workforce Development Division, Governor's Local Workforce Areas (GLWA) and the Southeast AlabamaWorks! Local Workforce Development Board (SAW) are issuing this Request for Proposals (RFP) for short term (26 weeks or less) standalone occupational skills training programs for adults and dislocated workers under WIOA.

The United States Department of Labor defines occupational skills training as an organized program of study that provides specific vocational skills that lead to proficiency in performing actual tasks and technical functions required by certain occupational fields at entry, intermediate, or advanced levels. Proposals must describe how "Soft Skills" training such as Ready-to-Work will be incorporated into the training. Priority consideration will be given to training programs that lead to recognized postsecondary credentials that align with in-demand industry sectors or occupations in the local area. Such training must:

- (1) Be outcome-oriented and focused on an occupational goal;
- (2) Be of sufficient duration to impart the skills needed to meet the occupational goal; and
- (3) Lead to the attainment of a nationally recognized credential. A list of United States Department of Labor nationally recognized credentials can be found [here](#).

The Alabama Department of Commerce/WDD and GLWA serve as the administrative entity for activities pursuant to the workforce development programs funded and regulated under the federal Workforce Innovation and Opportunity Act of 2014 (WIOA). The ADC/WDD in accordance with the provisions of WIOA Title I is a nondiscrimination/equal opportunity program. The SAW Board is comprised of representatives from the public and private sectors as prescribed in WIOA and is responsible for setting policy and overseeing WIOA funded activities in the SAW.

SAW occupational skills training proposals should focus on the needs of industries in the Southeast Alabama region. Each of these industries contain several career pathways in which a participant may enter an occupation and be able to advance within that specific occupation or occupational cluster. Proposals featuring training in the following in-demand industry sectors will be shown preference: Agriculture/Poultry/Forestry, Aviation, Construction, Healthcare, Manufacturing, Services - Retail, Lodging, Food Service, and Transportation. Additional special considerations will be given to proposals that demonstrate collaboration with the Alabama Department of Corrections to address Prisoner Re-entry as a part of the participant strategy.

Other industry sector opportunities must be supported by relevant labor market information. Proposals should demonstrate collaboration with local Alabama Career Centers as well as other community partners so that resources are used efficiently and effectively to address workforce

development needs within the area. Veterans, and their spouses are given priority for service under the WIOA. Proposals that include linkages with organizations serving veterans in the local area are also encouraged.

C.1. Eligible Providers / Grantee Qualification Requirements

Any public entity, private non-profit entity, or private for-profit entity meeting the qualifications outlined in this RFP may apply. Grant awards shall only be made to qualified entities that are able to comply with WIOA administrative standards.

C.2 Fund Availability

Funding is contingent upon the availability of WIOA funds. Funding for subsequent program years funding is contingent on the availability of funds, proven performance and approval by the Southeast AlabamaWorks! Local Board in conjunction with the Workforce Development Division.

C.3. Service Area

Entities may submit proposals to provide services in the Southeast AlabamaWorks! Workforce Development Area.

C.4. Period of Performance

Proposers should develop their program design and budget to conform to an *initial period of performance* of 12 months. Proposers must be able to draw upon a resource base that extends beyond WIOA funding. ADC/WDD will give particular priority to assessment of outcomes for programs whose performance measures relate directly to participants' receipt of job skills/training applicable to targeted industries and career pathways. These goals will be monitored and evaluated on a quarterly basis.

All Southeast AlabamaWorks! contractors are expected to meet or exceed the performance standards. Should a contractor's performance fall below 80% of the planned enrollment or performance goals, the contractor may be subject to corrective action and/or recapture of funds.

PART D: PROPOSAL EVALUATION PROCESS AND CRITERIA

D.1. Initial Review

Proposals that are received and followed the proposal submission format will be evaluated by ADC/WDD staff for completeness. Below are the steps that will occur once the proposals have been evaluated:

1. Once proposals have been evaluated, they will be made available to the Southeast AlabamaWorks! Executive Board for review. The Executive Board will recommend proposals worthy of funding to the Southeast AlabamaWorks! Local Board. Any Council/Committee member who represents an organization submitting a proposal under this solicitation will be excluded from the review process.
2. Final recommendations of proposals will come from the Southeast AlabamaWorks! Local Board in conjunction with the ADC/WDD.
3. The Board will determine which proposals are most advantageous to the Southeast AlabamaWorks! Local Area, taking into consideration technical quality, price, the mix of programs and services to be provided, service area and other relevant factors. Since program funds are limited, proposals will be reviewed on a first come, first serve basis.

The award of any grant is contingent upon successful negotiation to include any cost or technical changes to a proposal that may be required by the ADC/WDD.

Proposers are advised that discussions may be needed to clarify certain aspects of a proposal to assist in evaluations. These discussions should not be viewed by the proposer as an indication that the proposal is being viewed favorably or unfavorably.

Proposers are advised that notification of a favorable review or an invitation to participate in negotiations is no guarantee that the proposal will be funded. The WDD may stipulate that grants not be awarded unless the Proposers accede to certain technical or cost/price changes. Accordingly, the ADC/ WDD reserve the right to:

- Negotiate costs and/or prices to enhance cost effectiveness. The dollar amount of any resulting contract will not necessarily match the dollar amount in the original proposal. All costs are subject to negotiation.
- Negotiate the technical aspects of a proposal to fulfill the Southeast AlabamaWorks! Local Board's goals and objectives and/or assure compliance with WIOA law, regulations, and policy. The technical aspects of any resulting contract may not match the technical aspects of the proposer's original proposal. Technical aspects subject to negotiation include, but are not limited to: services to be provided, program design, target groups, service levels, delivery schedules, and performance goals.

Proposers are advised that this RFP is used to solicit offers. The WDD is not obligated to accept any offer, fund any proposal, or award any contract, or pay costs incurred for proposal preparation or presentation. The ADC/WDD reserves the right to:

- 1) Accept or reject any or all proposals.
- 2) Cancel this RFP (in whole or part) if it deems that it is in its best interests to do so.
- 3) Amend and/or revise this RFP at any time prior to the RFP deadline date.

D.2. Notice of Award

The WDD will provide written notice of final decision(s) regarding responses to this RFP once the Southeast AlabamaWorks! Local Board approves funding of the program.

D.3. Notice of Appeal

Proposers who have been denied funding may appeal the decision of the Board only if the basis of the appeal alleges that there was a violation of a state or federal contracting law, rule or regulation, which was applicable to the contracting process.

All appeals must state in clear terms the basis of the appeal. WDD will review appeals that meet the conditions outlined in this Section.

Appeals must be submitted within 10 days from the date of the denial notice. Appeals should be sent to the following address:

Steve Walkley, Division Director

The parties to this agreement recognize and acknowledge that ADOC is an instrumentality of the State of Alabama, and as such, is immune from suit pursuant to Article I, Section 14, Constitution of Alabama 1901. It is further acknowledged and agreed that none of the provisions and conditions of this Agreement shall be deemed to be or construed to be a waiver by ADOC of such Constitutional Immunity. No Subrecipient, contractor or agency performing services under any agreement, contract, grant or any other understanding, oral or written, other than an actual employee of ADOC, shall be considered an agent or employee of the State of Alabama or ADOC or any division thereof. The State of Alabama, ADOC, and their agents and employees assume no liability to any Subrecipient, contractor or agency, or any third party, for any damages to property, both real and personal, or personal injuries, including death, arising out of or in any way connected with the act or omissions of any Subrecipient, contractor or agency, or any other person.

Access to Records

64.

It will give the awarding agency (GRANTOR), the U.S. Department of Labor (including the Department of Labor's Office of the Inspector General), the Comptroller General of the United States, and Chief Examiner of Public Accounts or any of their authorized representatives, the right of access to any books, documents, papers, computer records, or other records pertinent to the agreement, in order to conduct audits and examinations, and to make excerpts, transcripts, and photocopies of such documents. This right also includes timely and reasonable access to SUBRECIPIENT personnel for the purpose of interview and discussion related to such agreement. This right of access is not limited to the required retention period, but shall last as long as the records are retained.

Assignability

65.

The SUBRECIPIENT shall not assign any right or interest in this Agreement, and shall not transfer any interest in the same (whether by assignment or novation) without the prior written consent of the Department thereto. Provided, however, that claims for money due, or to become due to the Subrecipient from the Department under this Agreement may be assigned to a bank, a trust company, or other financial institution through a valid court order and without such approval. Notice of such assignment or transfer shall be furnished promptly to the Department.

66.

It is expressly understood and mutually agreed that any Department commitment of funds herein shall be contingent upon receipt and availability by the Department of funds under the program for which this Grant Agreement is made. If this agreement involves Federal Funds, the amount of this Grant Agreement will be adjusted by the amount of any federal recessions and/or deferrals. Payments made by the Department under the terms of this Agreement shall not constitute final approval of documents submitted by the Subrecipient or of procedures used in formulating requests for payment to the Subrecipient. Funds appropriated and obligated to this award are available for reimbursement of costs until the end of the performance period set forth in the Grant Agreement.

Conflict of Interest Real or Apparent

67.

ADOC will not negotiate indirect cost rates with subrecipients, but will accept a federally negotiated indirect cost rate or the 10% de minimis rate of the modified total direct cost (MTDC) as defined in 2 CFR §200.68. If requesting the 10% de minimis rate, subrecipients must submit a certification that the entity has never received a federally approved

However, in accordance with 2 CFR §200.403, costs must be consistently charged as either indirect or direct costs but not charged as both or inconsistently charged to the federal award. Once chosen, the method must be used consistently for all federal awards until such time as negotiated rate is approved by the subrecipients' federal cognizant agency.

Nothing contained in this agreement shall be construed to mean that ADOC cannot utilize its auditors regarding limited scope audits of various ADOC funds.
